Plus, Two Commerce Computer, GPA: 72% 2014 | 2015

Hill Valley Public School Kalamassery, Ernakulam, Kerala
Tenth SSLC, GPA: 72% 2012 | 2013

PROJECTS UNDERWENT

The New Chapter Library Rental Service Php by Using Laravel Framework
https://libraryrental-mini.herokuapp.com/

The New Library Rental Service is a web application are simply a small sampling of the open-source alternatives available to help with managing your library website. Digital libraries are quickly becoming the norm at colleges and universities since they combine technology and information resources to allow remote access to educational content, breaking down the physical barriers.

A.I -Voice Recognition using Python
https://github.com/jopz-123/Voice-recognition

Voice or speaker recognition is the ability of a machine or program to receive and interpret dictation or to understand and carry out spoken commands...... Voice recognition systems enable consumers to interact with technology simply by speaking to it, enabling hands-free requests, reminders and other simple tasks.

A.I -Hand Recognition using Python

https://github.com/jopz-123/Finger-Recognition

Hand gesture recognition is very significant for human-computer interaction. In this work, we present a novel real-time method for hand gesture recognition.

EXPERIENCE

GK Granites Limited
Kizhakkambalam

Supervisor in Sales and Transportation
1/09/2018 | 11/02/2020

– The superior is extensively significant to an organization. I worked in GK Granites Limited as a junior supervisor in the sales and transportation department. I'm quite glad to be a part of it.

Leaned Basics Of C, Java language for 6 months
